RE: Legal Opinion Regarding Construction Wrap

Date: November 2, 2012

I have reviewed the matter and the item may go directly to the City Commission for two readings. Of course, either City staff or the Commission would have the discretion to send it to the Planning and Zoning Board prior to passage, but such review is not required.

Have a nice weekend.

Craig:

The construction wrap language we have discussed in the past is an amendment to the City Code (and not the Zoning Code). Can we take it directly to the Commission, and not take it to the Planning Board? Thanks.
