RE: Legal Opinion Regarding Appointed Officials Considered Excluded Employees

Date: October 1, 2014

You have asked for my opinion as to whether appointed officials are considered excluded employees. Per the personnel rules, appointed officials are expressly defined as excluded employees. See Personnel Rules, Section 1.14. Please note, even though appointed officials are excluded employees, the personnel rules do not apply to either elected or appointed officials. See Personnel Rules, Section 2.5.
